

AUTHORIZATION

Re : Motor Vehicle Collision

Collision Location :

Collision Date :

Vehicle :

I, _____ hereby authorize _____, it's employees or representatives to examine, photograph or remove and retain any evidence from my vehicle, which is relevant to the specifics of the above noted collision including, without limiting the generality of the foregoing, all data contained in the EDR (Electronic Data Recorder) described below.

I understand that the above noted vehicle is equipped with a crash sensing and diagnostic module or an electronic data recorder, which records information about the air bag system. Some modules also record other pre-crash data including the speed, engine rpm, brake and throttle data during some collisions.

Insured : _____

Witness : _____

Date : _____
